ABOUT US

By preparing for and responding to disasters, Disaster Relief Australia provides veterans the opportunity to grow beyond their military service. Disaster relief has proven to be a powerful tool to help veterans transition back into society and their local communities.

Disaster Relief Australia is a professional disaster relief organisation with a unique culture and history. We are dedicated to the service of communities in need and to each other. We are governed by values that place a high value on servant leadership, maturity, integrity, teamwork and determination.

We believe that veterans have unique skills and experience that can be harnessed to assist disaster affected communities. We also recognise that veterans have an ongoing desire to serve others and that through service they can grow beyond their time in the military.
