

# “A CHRISTMAS MIRACLE”

Since 2012, a volunteer troupe of actors, musicians and technicians have given their time to present a play to raise funds for people experiencing homelessness.

This year, in association with **St George’s Cathedral, Theatre 180** presents “**A CHRISTMAS MIRACLE**”, a special charity event to raise funds for the **Veterans Transition Centre** in Jarrahdale. They are the only site in Western Australia which accommodates homeless veterans.

At Christmas 1914 in the trenches of World War 1 in France, Allied and German soldiers disregarded their orders and laid down their arms for a brief time of truce, singing carols and exchanging greetings and gifts. The magic of the peace and goodwill message of Christmas affected them all and created one of the most memorable moments of their lives and a memorable moment for humankind.

**A CHRISTMAS MIRACLE** by Jenny Davis, and produced by Tony Howes, features a stunning ensemble troupe. Choir director Sarah Menogue along with some of Perth’s finest performers: Stephen Adams, Alinta Carroll, Rebecca Davis, Stuart Halusz, Courtney Pitman and Stephen Sherwood. Join us for an inspiring and uplifting evening to begin your Christmas celebrations for 2020 and celebrate the power of the human spirit.

The Veterans Transition Centre <https://www.rnrcentre.org/> will use the funds to upgrade their duplexes which accommodate homeless Veterans.

This is the time to support those that supported us and experience “A Christmas Miracle”.
